

**CHAPTER TWO
PUBLIC INVOLVEMENT/PARTICIPATION PROGRAM**

Permit Requirement 4.2.2 Program description

The Public Involvement/Participation Program section of this SWMP addresses the requirements of applicable State and Local public notice requirements. Community participation provides for broader public support, shorter implementation schedules, a broader base of expertise, and the development of important relationships with other community and government programs. The sections described in this chapter include opportunities for the public to play an active role in the development and implementation of the storm water management program. Such opportunities will include: advisory panels, and public hearings. Efforts to reach out and engage with potentially affected stakeholder groups, which include but is not limited to, commercial and industrial businesses, trade associations, environmental groups, homeowner associations, and education organizations regarding the implementation of new stormwater rules and regulations to foster public input.

The already formed Springville City Water Advisory Board and the Public Works Department will review the SWMP once a year.

Lead Entity: Public Works Department- Public Works Director, Engineering Division, Storm Water Superintendent

Year	Measurable goal action summary:	Water advisory board will be the primary advisory panel, document meetings dates and outcome.
7/1/2016 - 6/30/2017		
7/1/2017 - 6/30/2018		
7/1/2018 - 6/30/2019		
7/1/2019 - 6/30/2020		
7/1/2020 - 6/30/2021		

Permit Requirement 4.2.2.1. Comment opportunities

The Engineering Division will provide opportunities for public involvement in the constant development, updates and implementation of the storm water management program, including development and adoption ordinances through the development of a web based system to accept public comments about the Storm water Program.

Permit Requirement 4.2.2.2. and 4.2.2.3. SWMP Document available for public review

The Public Works Department Engineering Division, as administrator of the Storm Water Management Program, will make the 2016-2021 SWMP documents available to the public for review and input by July 1st of 2016.

The SWMP document will remain available for public review and input for the life of the permit on the City web site and will allow the public to review and provide input.
